

Officially created on January 1, 2021, thanks to the support of the Ontario government, the Fédération des gens d'affaires francophones de l'Ontario (FGA) is the result of the desire of Francophone entrepreneurs to come together to highlight the Francophonie as an added value, generating business and employment opportunities for both the Franco-Ontarian community and all Ontarians.

The FGA's mission is to support, represent and advance the interests of its members and economic players, by fully promoting the francophonie in the business community. Drawing on a dynamic network of over **5,000 members** and serving the economic Francophonie in Ontario and Canada, the FGA pursues five longterm strategic objectives:

- **Increase the pool of bilingual workers in key sectors;**
- **Ensure the next generation of Francophone entrepreneurs;**
- **Create conditions conducive to conquering new francophone markets;**
- **Stimulate female entrepreneurship;**
- **Encourage immigrant entrepreneurship.**

## Services offered by FGA

Dedicated to supporting Franco-Ontarian businesses, the FGA's primary mission is to promote and develop business in French. The FGA offers a full range of services essential to professional and business development, aimed at ensuring the success of entrepreneurs. These services include:

### Support services for women entrepreneurs

Our commitment to women entrepreneurship is demonstrated through a series of free workshops designed specifically for Franco-Ontarian women entrepreneurs. These workshops aim to equip participants with knowledge and strategies they need to energize their businesses.

### Concierge Services

The Business Concierge Service offers customized solutions for exploring entrepreneurship. Whether it's starting a new business, seeking government funding or accessing public contracts, the concierge service is there to open doors to many possibilities.

### inkubo.ca

The inkubo.ca platform lists the resources available in French within the business ecosystem to support francophone start-ups in Ontario. This portal allows you to find relevant and accurate initiatives and programs, as well as a list of active organizations to acquire essential skills, expand your network and be supported through start-up

### Quartier d'affaires + B2BeeMatch

Quartier d'affaires is a networking platform dedicated to Franco-Ontarian, Franco-Canadian and international Francophone businesses. Quartier d'affaires+B2BeeMatch facilitates strategic partnerships, business alliances and knowledge sharing among French-speaking B2B companies worldwide.

### Mentoring Program

The FGA places great importance on the transmission of knowledge and experience. RésOntario offers personalized support from recognized experts in various fields, guiding participants towards better decision-making and sustained growth..
